

# Seed • Slouch Hat

A chic, cheap, celebrity inspired, super-quick hat for your knitting pleasure!

## Materials

One skein Cascade 128 super wash (128 yds)

Size 9 US circular needle (16 inches, or size appropriate for hat)

Size 10 US circular needle (16 inches, or size appropriate for hat)

Size 10 US double pointed needles

## Instructions

Cast on 72 sts on US 9 needle

Join and begin working in seed stitch (\*K1, P1\* odd rounds \*P1, K1\* even rounds)

Work in seed stitch until the piece measures ~4 1/2 inches

Switch to US 10 needle and begin working 2 x 2 rib (\*K2, P2\* every round)

Work in 2 x 2 rib until piece is desired length (I did about 4-5 inches of rib, just keep going until you're afraid you might run out of yarn)

Begin decrease rounds:

Decrease round 1: \*K2, P2Tog\* to end of round (switch to double pointed needles)

Decrease round 2: \*K2, P1\* to end of round

Decrease round 3: \*K1, K2Tog\* to end of round

Decrease round 4: Knit all stitches

Decrease round 5: K2Tog to end of round

Decrease round 6: K2Tog to end of round (9 sts left)

Decrease round 7: K2Tog four times, K1 (5 sts left)

Cut yarn and, using a yarn needle, thread through remaining stitches, pulling them tight. Weave in all ends.
